Fustini's Oils & Vinegars Celebrates the Holidays with Two Great Gift Sets

SELECT & RISERVA

First harvest EVOOs and our dense, rich riserva balsamic are ideal in a variety of ways - from finishing charcuterie boards to drizzling on fruit and veggies.

(Traverse City, MI) – Fustini's Oils & Vinegars is excited to announce a complete line of culinary holiday gift sets featuring the *Taste of Michigan* and *SELECT & Riserva* holiday gift packages for this gift giving season! Both of these unique gift boxes can be ordered through Fustini's online store or in person at any of the four store locations (Traverse City, Holland, Petoskey or Ann Arbor). Fustini's is also offering virtual cooking classes that take you step-by-step through delicious holiday recipes incorporating Fustini's world class oils and vinegars. "We are extremely proud to bring these gift sets to our customers for this holiday. They are flavorful, healthy and easy to purchase online and in our stores", said Jim Milligan, Founder of Fustini's Oils & Vinegars.

Taste of Michigan

Fustini's is proud to use Michigan-based ingredients in their *Taste of Michigan* gift box. This highlights a perfect mix of Michigan flavors including Traverse City Cherry, Michigan Apple and West Michigan Blueberry balsamic vinegars. These pure Michigan flavors pair well with the fresh Basil Olive Oil for a versatile, flavorful combination. It's also a great mix for salads, marinades and veggies.

SELECT & Riserva

The Fustini's team prides themselves on providing the freshest olive oils and aged vinegars available. The *SELECT* oils come from olives that are harvested at the earliest point possible which gives the oil a remarkably fresh taste. The *SELECT & Riserva* gift box includes three Select oils and a dense, rich Riserva balsamic vinegar.

Fustini's, an oil and vinegar tasting room, opened its doors first in Traverse City, Michigan, in 2008 and then opened three more. The business quickly grew, adding locations in Petoskey, Ann Arbor and Holland. Fustini's has expanded their products and services to include pantry items, cookbooks and a school of cooking.
