**(Traverse City, MI) February 2024** — Launched in January 2023, Fustini's Cares is an initiative to support local organizations that are passionate about community. In this initiative, Fustini's donates 1% of every sale to an organization in their community. Each selected charity has a mission to help the community with dignity and choice by providing healthy food.

Each Fustini's store location has partnered with an organization to serve their own neighbors. Our Traverse City location has partnered with [Goodwill Industry's Food Rescue](#). Petoskey has partnered with [Manna Food Project](#). Holland is working with [Community Action House](#). Ann Arbor is serving [Food Gatherers](#).

Check out our blog articles on each of these organizations:

- [Manna Food Project](#)
- [Community Action House](#)
- [Food Gatherers](#)
- [Food Rescue](#)

In addition to a financial contribution to these organizations, Fustini's also encourages its employees—and community—to participate in volunteer opportunities to serve with these organizations.

While in past years, Fustini's has coordinated seasonal campaigns to support these local organizations, Fustini's Cares is a dedicated initiative that runs all year long.

### **About Fustini's Oil & Vinegars**

Fustini's Oils & Vinegars, a retail olive oil and balsamic vinegar tasting room business, opened its doors in Traverse City, Michigan in 2008. The business quickly grew, adding three additional Michigan locations in Petoskey, Holland and Ann Arbor. Fustini's has expanded their products and services to include cookbooks, and pantry items. Additionally, Fustini's is committed to improving community health through diet and nutrition with recent fundraising programs to support the work of various non-profits throughout Michigan. Learn more about Fustini's at [www.fustinis.com](http://www.fustinis.com).
