

Alfredo Sauce

Ingredients

- 1 tablespoon butter
- 1 tablespoon [Fustini's Garlic olive oil](#)
- 1 cup cooked pasta
- 1 cup heavy cream
- 3 tablespoons Parmesan cheese, grated

Sharon's Hint

To make this a delicious carbonara sauce, add bacon or pork, onion and peas.

Directions

Step 1.

Heat butter and olive oil in a large sauté pan over medium heat. When the butter is melted, add cooked pasta and sauté to coat. Add the heavy cream and bring to a simmer. When the cream is hot, add Parmesan cheese and stir to coat the pasta. Serve when the sauce thickens.
