

Macerated Berries Over Ice Cream

Ingredients

- 2 cups of any berry
- 1 tablespoon sugar
- 2 tablespoons Fustini's Balsamic vinegar of your choice
- 1 quart premium vanilla ice cream

Directions

Step 1.

Combine all ingredients in a bowl. Let the mixture sit for at least 30 minutes (this allows the berries to release their natural juices and create a sauce).

Step 2.

Serve over vanilla ice cream.
